

Psalmist Raine, Award-winning Worship Leader, Introduces The “King of Glory” In New Single Releasing on November 7, 2017

New Single First Release from Upcoming CD, *Refresh Worship Live II: For The Nations*

(Chicago, IL) – November 7, 2017 – With the many distractions happening in this country and throughout the world, it’s easy for the believer to get discouraged. Chicago-based recording artist Psalmist Raine is determined to put the focus where it belongs, on the King of Glory. The popular minstrel is back with an unforgettable praise anthem of the same name and it’s a blessed addition to the musical catalog of a woman who has been singing God’s praises for years now. Known for her prophetic voice and riveting psalms, the award-winning worship leader presents another dynamic musical exultation to the Lord in the brand new “King of Glory”. Her latest offering is a high energy, sonic invitation to the Holy of Holies. The track is the first release from the artist’s upcoming project, *Refresh Worship Live II: For The Nations*. The up-tempo track is available for download on iTunes, Amazon, Google Play and other digital music outlets.

“Many want to know...’Who is the King of Glory?’” says Psalmist Raine. “I say, ‘Let’s welcome Him so you can find out!’” One listen to the song and there will be little doubt who Psalmist Raine is singing about. Reminiscent of a psalm from King David, the new track is infectious and beckons the God lover to join in the praise. Those who appreciate passionate praise and worship will enjoy “King of Glory”. Produced by Nicholas McCree of Salohcin Media Group, the project is the artist’s fourth live recording.

Recorded live on September 29, 2017, in Atlanta at Tabernacle of Praise International Church, “King of Glory” and the project’s other new songs were introduced to a packed crowd of worshippers. Just like her previous release, *Refresh Worship Live*, *Refresh Worship Live II: For The Nations* was a prophetic recording, with only one song rehearsed prior to that night. The rest of the CD’s music was given to Psalmist Raine, the Refresh Team and her musicians on the spot. “I believe now is the time for us to intercede and the release the prophetic word and decree that turns the world back to God and back to His heart,” says Psalmist Raine. “This CD is to Refresh every nation in the Spirit and to touch the world,” she says. The full project will be released in early 2018.
